**What this list is — and is not.** No casino publishes a complete list of every machine on its floor, and crowd-sourced lists go stale within weeks because machines get swapped constantly. What is filed and public is which **wide-area jackpot networks** a property is licensed on. That is what this sheet gives you. The meter shown is shared across every property on that network — it is not this casino's own pool.

# Slot Machine Index

An independent index of 442 casino properties and every land-based slot machine we can document — official manufacturer artwork, jackpot networks, and where they run. No login. No affiliate links. We never publish a single RTP figure, because there isn't one.
