| Megabucks     | CA      | \$3,692,148 | —              | no record |
| Ultra Link    | NA      | \$1,672,022 | —              | no record |

**What this list is — and is not.** No casino publishes a complete list of every machine on its floor, and crowd-sourced lists go stale within weeks because machines get swapped constantly. What is filed and public is which **wide-area jackpot networks** a property is licensed on. That is what this sheet gives you. The meter shown is shared across every property on that network — it is not this casino's own pool.
